I understand that I am involved in a high risk sport, and that I am participating of my own desire and at my own risk, and do hereby release and hold harmless Scotsgrove Farm, the owners of the facilities, its agents employees, and volunteers, as well as the Middle Tyger Ruritan Club, from any and all liability for any accident, damage, and/ or injury to myself, my child, my livestock, or property. If I choose to ride without a helmet, it is entirely at my own risk!

Under South Carolina law, an equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of equine activity, pursuant to Article 7, Chapter 9 of Title 47, Code of Laws of South Carolina 1976.

The wearing of protective helmets while riding is required by Scotsgrove, and required for ALL jumping in this activity, but is up to the individual entrants in the Trail Riders' Division who will not be jumping, to make that decision for themselves. We recognize that it is not as widely practiced by Western riders as it is in our chosen riding discipline. Please ride safely and have fun!
